The International Journal Journal of Pharmaceutical and Biological Archive (IJPBA) is the online official journal of Mandasaur Institute of Pharmacy under the Society BRNSS launching on April 2010.

We invite papers that make significant contribution to the Research knowledge related to Pharmaceutical and Biological sciences—Pharmaceutics, Medicinal chemistry, Pharma Analysis, Pharmacology, Pharmacognosy, Biotechnology and Biology.

Journal publishes peer-reviewed Original research papers, systematic reviews, news, interviews, and achievements.

To achieve our goal, we need to attract the very best papers from abroad as well as from India. For that purpose I have invited number of Pharmacy specialists out side India to serve as editors. At the same time, I welcome opinions and comments to improve the editorial policy of the International Journal Journal of Pharmaceutical and Biological Archive.

I hope you find this journal informative and useful. It is a new initiative. Your comments and suggestions will help us to improve the quality and content of the journal.

Truly yours,
